## CONCEPTS RELEASE SMOKED GIN

An intense smoked gin featuring ironbark smoked water, juniper, native thyme, wattleseed, caraway and a small amount of distilled chocolate malt this is the second release under the Archie Rose Concepts label, reserved for our rarest and most experimental releases.

This gin is a result of the R&D phase of our Summer Gin Project creating Bush and Coast Gins which saw our Master Distiller Dave Withers experiment with melting huge hunks of ice into water using sustainably sourced NSW ironbark next door in the wood-fired oven of Three Blue Ducks, Rosebery. Just like our *Bush* Gin Smoked Gin brings to life the character of our most challenging yet iconic season serving as a bookend to our Summer Gin series.

The palate is dry and savoury with rich earthy notes and roasted nuts along with accents of barbecue and a blush colour.

In a first for this page, Evan is the second bartender to hail from one bar - Bulletin Place - which shows their committed track record to excellence. The first was owner Tim Phillips, and in a similar vein Evan has come up with a list of drinks that belie their complexity in their descriptions. He deftly eases flavour out of seasonal ingredients, his drinks are light, but multifaceted. You should definitely order one of these, and then you should go to Bulletin Place, pull up a stool and enjoy his daily changing list of delights. You're welcome.

# — BOILERMAKERS —

CRAFT BEER ACCOMPANYING SPIRITS IS AN UNASSUMING UNION THAT IS FAR TOO OFTEN OVERLOOKED. A REWARDING BOILERMAKER EXPERIENCE SHOULD ALLOW EACH BEVERAGE TO SING ITS OWN TUNE. WHEN COMBINED, THOSE SINGLE VOICES FORM A CHOIR CROONING IN PERFECT UNISON. IN THESE CONSIDERED MATCHINGS THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS. THE RESULT IS A JOURNEY OF DISCOVERY.

BEER &

**Young Henrys Apple Cider (375ml, 4.6%) . . . . . \$10 \$22  
Yellow Chartreuse Liqueur (40%)**

This combination is not for the faint of heart. Tart, herbaceous and complex. Rewarding those who dare.

**Young Henrys Newtowner Pale Ale (330ml, 4.8%) . \$10 \$34  
Iniquity Australian Single Malt (46%)**

Newtowner, taste the flavour of the people of Newtown itself - a little fruity, easy going and slightly bitter. Paired with South Australia’s famous Iniquity Single Malt both stone fruit and oak come together hand in hand like a late night down at the Townie.

**Batch Black IPA (640ml, 6.8%) . . . . . \$24 \$52  
Gordon Macphail Caol Ila 2004 Scotch Single Malt (45%)**
