BOTTLED COCKTAILS

Native Australian Bottled Cocktails

Our four-strong lineup of Native Australian Bottled Cocktails delivers a homegrown twist on classic cocktails and celebrate the beauty of native ingredients.

Eucalypt Mule

The Eucalypt Mule is a brilliant interpretation of the classic mule. Native river mint features predominantly alongside Archie Rose Original Vodka and a supporting cast of peach, apricot, and zingy ginger.

Rosella Sour

On the nose, the Rosella Sour is full of sweet strawberries and cream, but on the palate expect complex tart and tropical floral notes. Featuring Archie Rose Signature Dry Gin with hibiscus, strawberry, coconut cream and a hint of pineapple.

Red Centre Negroni

This all-Australian Negroni does the original no disservice. We've teamed Archie Rose Distiller's Strength Gin with sweet vermouth from Victoria-based maker Maidenii, and South Australia's OKAR Island Bitter. Added notes of native riberry and strawberry gum deliver delightful results.

Wattleseed & Peach Iced Tea

The Wattleseed and Peach Iced Tea is a complex cocktail starring Archie Rose White Rye. Peach and mango meet lapsang souchong tea that lends a subtle smokiness to those bold tropical flavours. Native wattleseed adds an earthy note.

Available in 200ml and 700ml to suit any need.

Pricing provided on application.

Archie Rose Hand Sanitiser

Nothing says 2020 like a bottle of Archie Rose Hand Sanitiser.

In an effort to bolster supplies nationwide and maintain the employment of the Archie Rose Bar team during the peak of the COVID-19 pandemic, we reallocated our spirits production capacity to the production of hand sanitiser. Made from our natural botanical gin distillates.

Please note our hand sanitiser is a liquid rather than gel consistency.
